

Where's Gardenerd?

Congratulations! You've been chosen by a friend to be the next *Where's Gardenerd* recipient. Our Gardenerd mascot started in Los Angeles, CA, and he is traveling around the world to be photographed in gardens everywhere, including yours!

What to do:

- 1) Visit <http://gardenerd.com/blog/wheres-gardenerd/> to read the guidelines for participation.
- 2) Take photos of Gardenerd in your garden, with a city landmark, or with something culturally significant to your state/province/country.
- 3) Post your best picture to Twitter or Instagram along with the **hash tag #wheresgardenerd** and **mention @Gardenerd1**. *Remember, there's only 1 'n' in Gardenerd.* **Follow @Gardenerd1** to track his progress.
- 4) Share Gardenerd with your friends who garden (so they can take pictures to send us too), then mail him (you pay postage) to the next person on the list.

Guidelines for mailing:

- Use the box he arrived in or use a suitable replacement (in the US we like USPS Flat Rate boxes for inexpensive shipping)
- Include a copy of these instructions & list of participants. Print instructions at link above.
- Send him to someone you know, or the next name on this list below. If all names are crossed out (be sure to cross out your own) and you don't know where to send him, return Gardenerd to our headquarters at: Gardenerd, P.O. Box 661647, Los Angeles, CA 90066, USA
- Don't forget, Gardenerd is one of a kind. If he gets lost or destroyed, the journey ends. Keep Gardenerd going!
